Report of Principal and School Improvement Council

Bookman Road Elementary School is a place where students are challenged to use the eighteen LIFESKILLS and Lifelong Guidelines of Personal Best, Trustworthiness, Truthfulness, Active Listening, and No Putdowns. All students are taught in an atmosphere of love and respect, and encouraged to learn, think, grow, and develop as unique individuals. Our focus on these key elements has helped us achieve high test scores and positive surveys that enabled us to receive a number of awards, including the Palmetto Silver Award and the Adequate Yearly Progress designation. We have also been recognized as a school that is closing the gap between historically achieving and historically underachieving students. Our teachers represent us well as local, state, and national presenters. During the past eleven years, we have had wonderful teacher representatives as our school's Teacher of the Year. After being selected as Bookman Road teacher of the year, five of these individuals went on to be named district honor roll teachers, two were named District Teacher of the Year, two were named State Teacher of the Year Finalists, and one became the State Teacher of the Year. All teachers and staff at Bookman collaborate and cooperate to make the entire group successful as we continue to learn and sharpen our teaching skills.

Our PASS scores this year show our commitment to providing quality teaching and learning in a nurturing environment to all of our students. We are pleased with the progress of our students but we know that if we are to help our students reach their maximum potential we must carefully study the results of these tests. Our task is to analyze where our students showed growth we would expect, analyze why the growth occurred, and to make curriculum and instructional changes to make sure that our children continue to be academically challenged. Conversely, we need to see what changes need to be made when expectations are not met so that we can continue to ensure success for all our students.

Please carefully review the data contained in this report. Bookman Road Elementary School and Richland School District Two have taken a number of steps to ensure that students are making progress in meeting standards. We are a standards-driven school and we make sure that statewide standards are taught. Our attendance is high, and we continue to learn best teaching practices. By working together—parent, teachers, and students—we will continue to see positive results on these statewide indicators of success.
